INFORMATION DISCLOSURE STATEMENT

In accordance with 37 CFR §1.56 and 37 CFR §1.97(b)(3), applicants wish to call the Examiner's attention to the references listed on the Modified 1449 Form submitted herewith. Copies of these references are enclosed.

The foregoing references are being submitted prior to the mailing date of a first substantive Office Action for this application and thus no fee under 37 CFR §1.17(p) is believed to be due for this submission. However, if a fee is required, applicants request that the fee be charged to Deposit Account No. 11-1158.

The Examiner is respectfully requested to initial a copy of the Modified 1449 Form and return it to applicants to indicate consideration of the references listed thereon in connection with the prosecution of this application.

Respectfully submitted,

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with 37 CFR §1.56, 37 CFR §1.97(c) and 37 CFR §1.97(e)(2), applicants wish to call the Examiner's attention to References 57-58 listed on the Supplemental Modified 1449 Form submitted herewith. Copies of these references are enclosed.

The undersigned certifies that Reference 57 was not cited in any communication from a foreign patent office in a counterpart foreign application or known to any individual designated in 37 CFR §1.56(c) more than three months prior to the filing of this statement. In particular, Reference 57 is a full copy of the Fontanel et al. reference cited in the October 8, 2003 Office Action for this application. The undersigned attorney obtained this full copy within the last three months. References 58 and 59 are computer-generated English language translations of Reference 57, also obtained within the last three months.

The Examiner is respectfully requested to initial a copy of the Supplemental Modified 1449 Form and return it to applicants to indicate

consideration of the references listed thereon in connection with the prosecution of this application.

Respectfully submitted,
